

Subcontracting at Winona ORC

Sometimes you need another set of hands.

Winona ORC offers customizable production services to fit your needs with our 32,000 square foot production facility. We partner with you through each step to deliver quality results while increasing your business' bottom line.

Winona ORC is a leading subcontractor of packaging and assembly work in Southeast Minnesota to local companies including Fastenal, Wincraft, Peerless Chain, Smurfit Stone Container, Watkins, and many more. We provide both short run/quick turn services and long term consistent production. In both cases we offer employers another avenue to help maintain costs, better utilize floor space, and help improve throughput and profitability. Our track record with our customers is excellent including a quality rating and on-time delivery percentage of over 99.5%. With over 35 years of experience in this field, we feel we have the capabilities of making your company more competitive in an ever changing world.
