Give teams who participated this year a call for information on how this year's event went. Any Suggestions? Any improvements needed to be made?

Results: The Spelling Bee brought in \$2,235.83. This is due to the lowered number of teams participating. 10 teams in total participated in 2012, down 50% from 2011.

Future Fundraising Ideas:

- Road Race (5k, 10k, 21k) – what is the cost associated with putting on a race like this. Where would this race take place? Contact insurance agency for liability rate of a race. Gather more information for the potential of a race.
- Winona Bike Adventure – suggested as another fundraiser.
