Leaky Roof, No A/C!

It's warm and leaky at Winona ORC! Our roof is over 25 years old and the HVAC units stopped working! At a time when resources are thin, we find ourselves having to spend \$200,000 to replace these items! We thank you in advance for helping us find more comfort at work. It's hard to type with an umbrella in my hand and a fan in the other!

This material is available in alternative formats to individuals with disabilities by contacting the Minnesota Office of Ombudsman for Mental Health and Developmental Disabilities, write to ombudsman.mhdd@state.mn.us, call toll-free 1-800-657-3506 or voice at 651-757-1800, or use the Minnesota Relay service, at 7-1-1.

The Office of the Ombudsman and the Governor's Council on Developmental Disabilities initiated this public awareness campaign designed to educate people with disabilities and their families and guardians, and the general public on how to identify, report and prevent abuse of people with disabilities. The campaign highlights the value and dignity of each person living with a disability. Materials were co-created with people with disabilities, their family members, advocates and professionals in policy and care provision. We thank them all for their generosity of time spent to make this campaign a reality.

Treat People Like People campaign

Our Mission:

Provide services for people with disabilities in our community including: vocational counseling, comprehensive job-related skill training and meaningful employment.

Our Vision:

Every person with disabilities—physical, mental, or learning— is living their full potential through meaningful work, community interactions, family and friendships.
