**Fundraising**

Projects: Spelling Bee – March 22, 2012 at the American Legion

Will need to be known as a Community Event, not a fundraiser.

Many ideas of re-vamping the game to make it more interactive and flow better. Point system and grouping of people, brackets, double elimination. Spreading the groups out throughout the facility. Better sound system. A more detailed plan will be conceived to be discussed at the next fundraising meeting on February.

Project: Golf Tournament: Monday, July 23, 2012 Bridges Golf Club

First meeting is Thursday, March 1, 4 p.m. at Bub's

Project: Discussion of a road race (running) will be discussed as an additional fundraiser for Winona ORC? Collaboration perhaps?

Change of when things are planned for 2013.

March – Road Race?

September/October for Spelling Bee?
