Action Items

- Formal proposal for the 5k was submitted. The proposal outlined the race as a whole. What area/where the income would benefit ORC. The proposal also included: risks of holding the race, the projected income and expenses and the various committee positions needed for the race management.

Follow Up Items

- What are community members saying about the race? – Chianne
- Is the location at the lake available at that time? – Chianne
- 5k Proposal is attached in the Board Committee for review
- Jayne, Rachel and Chianne are nearing the end of the Grant Writing class. We are looking forward to being able to implement the items we are learning. Looking to take a trip to the La Crosse library where they have a section for grant seekers to look for foundations to apply to.
