Details

- Based on the information presented at the previous meeting and information gathered from community members about the unique 5k race, those in attendance have approved to move forward with the 5k race.
 - This is a “neon/glow” race and will be held at dusk on November 8, 2013
 - Goals are to create awareness of WORC, bring a fun event to the community and to raise funds to help convert WORC’s transportation fleet to compressed natural gas (CNG).
 - We are projecting revenue for the event at \$9650 based on sponsorships & registration fees
 - Expenses are projected at \$3000
